## IGS/BIPM pilot project: GPS carrier phase for time/frequency transfer and timescale formation

J Ray and K Senior 2003 *Metrologia* 40 S270–S288

Figure 7 in this paper is inaccurate. The correct figure 7 is shown below.

**Figure 7.** Allan deviation plot of each Block IIR satellite clock as well as a plot of the average Allan deviation of the Blocks II/IA cesium and II/IA rubidium satellites during December 2001. All clocks are referenced to IGST and no data editing has been applied.
